Re: Prohibited Materials Broadcasted by Channel 7

Dear Sir

I respectfully request you to investigate about the material broadcasted from Channel 7 in the "Sunrise" program early morning on Wednesday 4th July 2007. The materials which not only has been instructing terrorists and according Anti Terrorism Law is a crime, but also it has insulted Muslims in general and Muslim doctors in particular. Also it will cause some other serious problems not only for Muslim doctors but also for whole Australian society.

Please find more details in the attached letter 16/08/2007 to the Prime Minister. In advance I appreciate for your cooperation.

Kind regards

Sheikh Haron
